2019 IDAHO BARREL FUTURITY, NAMPA, IDAHO**

2. All contestants must **check in at the Office for all races and a signed release must be on file**. IBF must have signed W-9 forms on files for the current year before checks will be issues to winners. Any money not collected after 30 days due to failure to complete a W-9 will be forfeited. 1099s will be issued in accordance with IRS guidelines. W-9s will be available online with entries, at the office, and during check-in.
3. The ground may be reworked at any time as judged by the Board of Directors and arena crew for the safety of everyone.
4. Once a contestant crosses the start line (the electric eye) the time begins.
5. A contestant is given a “no time” for being off course in any way (at the discretion of the Board of Directors).
6. A contestant is given a “no time” for stopping or holding their horse back at any time (at the discretion of the Board of Directors).
7. There is a fine for losing your hat in the arena of \$5 per lost hat. This money goes to our arena crew for their extra efforts. The Board of Directors reserves the rights to hold lost hats and any checks will be held until the contestant’s hat fees are paid.
8. A contestant will be given a “no time” if the horse or rider falls during the run in such a manner as to break the pattern or if the rider falls off the horse before crossing the eye at the end of the run.
9. A contestant may ride any horse regardless of ownership.
10. A horse may not be run more than 1 time in any class unless it is run by other members of the contestant’s immediate family. In no case may a horse be run more than 3 times in any given day.
11. Only one horse may be in the arena during the competition run. Leading or following a horse up the alleyway is acceptable so long as the leading horse exits the arena immediately upon the contestant entering the arena.
12. No contestant may circle a barrel twice during a competition run. If a contestant breaks the pattern in any way the contestant must immediately exit the arena. A penalty **WILL** be assessed of \$25 for each violation of this rule.
13. Idaho Barrel Futurity Board Members may disqualify a horse/rider at any time for uncontrolled or dangerous behavior.
14. The five runners in each drag must be in the holding pen before the end of the rake immediately preceding them, or you will be turned out with no refund. The entry to the holding pen is on the right side of the building. There will be an individual controlling the gate to the holding pen, who will check each runner in as they enter the holding pen.
15. No more than the next ten runners will be allowed in the holding pen at any time, and entry to the holding pen will only be allowed while the tractor is running. Buddy horses will be allowed in the holding pen if necessary, but must exit the holding pen with the horse they accompanied.
16. Riders may enter the alleyway from either side of the holding pens once they are inside the holding pen and checked in. Riders must be in their chosen side before the tractor shuts off – no crossing of the alley will be allowed while runners are in the arena.
17. All riders will be given 3 minutes from the first gate call to leave the holding pen and begin their competition run. If a horse refuses beyond the 3 minute window the Idaho Barrel Futurity Board of Directors may immediately disqualify the rider and ask them to exit the arena safely. Our goal is to have a safe and respectful sport. All lenience will be given if possible while still promoting the success of the sport.

21. In the event of an electric eye failure, the rider will be given a re-ride option at the end of the next large rake or as can be mutually agreed upon by the contestant and the IBF Board of Directors. As much accommodation as possible will be given to the contestant/horse. If the eye fails during a run where a barrel is hit, the hit barrel disqualification will be upheld.
