2. All contestants, by submitting an entry, agree to be personally responsible for their safety and actions while attending or participating in the Idaho Barrel Futurity. Contestants agree to comply with all IBF and Idaho Horse Park policies, guidelines, signage, and instructions. Because the facility and event is open to attendance and participation by other individuals, contestants recognize that they are or may be at higher risk of contracting COVID-19 or any other communicable or contagious disease. By submitting an entry, contestants agree to abide with and respect all restrictions on social distancing, group size, attendance, sanitation and other safety and health requirements imposed by the State of Idaho, the City of Nampa, the Idaho Barrel Futurity, and the Idaho Horse Park. With full awareness and appreciation of the risks involved, contestants and participants, by submitting an entry and/or attending the event, agree to release, waive, discharge, and covenant not to sue the Idaho Barrel Futurity, its board members, officers, agents, servants, independent contractors, and volunteers from any and all liability, claims, demands, actions, and causes of action whatsoever, directly or indirectly arising out of or related to any loss, damage, or injury, including death, that may be sustained related to COVID-19 or any other communicable disease, viral transmission, or contagious infection, whether or not caused by the negligence of said parties.
3. IBF must have signed W-9 forms on file for the current year before checks will be issued to winners. Any money not collected after 30 days due to failure to complete a W-9 will be forfeited. 1099s will be issued in accordance with IRS guidelines. W-9s will be available online with entries, at the office, and during check-in.
4. Rakes will occur every 5 runners with a big rake at every 50 and between divisions. The ground may be reworked at any time as judged by the Board of Directors and arena crew for the safety of everyone.
5. Once a contestant crosses the start line (the electric eye) the time begins.
6. A contestant is given a “no time” for being off course in any way (at the discretion of the Board of Directors).
7. A contestant is given a “no time” for stopping or holding their horse back at any time (at the discretion of the Board of Directors).
8. There is a fine for losing your hat in the arena of \$5 per lost hat. This money goes to our arena crew for their extra efforts. The Board of Directors reserves the rights to hold lost hats and any checks will be held until the contestant’s hat fees are paid. If a hat is left in the office after the event, IBF will ship the hat, but the costs of shipping must be paid in advance.

9. A contestant will be given a “no time” if the horse or rider falls during the run in such a manner as to break the pattern or if the rider falls off the horse before crossing the eye at the end of the run.
10. A contestant may ride any horse regardless of ownership (excluding amateur futurity class)
11. A horse may not be run more than 1 time in any class unless it is run by other members of the contestant’s immediate family. In no case may a horse be run more than 3 times in any given day.
12. Rider is responsible for checking their carryover entry and notifying the office. Carryover entries, and full payments, must be received prior to the start of the Futurity Saturday morning.
13. Only one horse may be in the arena during the competition run. Leading or following a horse up the alleyway is acceptable so long as the leading horse exits the arena immediately upon the contestant entering the arena.
14. No contestant may circle a barrel twice during a competition run. If a contestant breaks the pattern in any way the contestant must immediately exit the arena. A penalty **WILL** be assessed of \$25 for each violation of this rule.
15. Idaho Barrel Futurity Board Members may disqualify a horse/rider at any time for uncontrolled, abusive, disrespectful, or dangerous behavior.
16. The entry to the holding pen is on the right (west) side of the building. There will be an individual controlling the gate to the holding pen, who will check each runner in as they enter the holding pen. The five runners in each drag must be checked in with the gate person and in the holding pen before the tractor shuts off at the end of the rake immediately preceding them, or you will be turned out with no refund. Do not enter the holding pen from the exit door – you must enter through the west door and check in with the gate person. If you run without checking in with the gate person, you will be disqualified.
17. No more than the next 5 runners will be allowed in the large holding pen at any time, and entry to the holding pen will only be allowed while the tractor is running. The next 5 runners are required to be in the smaller holding pen prior to the tractor finishing. Buddy horses will be allowed in the holding pen if necessary, but must exit the holding pen with the horse they accompanied and must make all efforts to stay out of the way of the other horses in the holding pen.
18. Safety is a priority to the IBF, so please inform the gate person when checking in if your horse has any issues that need to be accommodated. We will do our best to accommodate those who need it and ensure that the race runs quickly and safely.
19. All riders will be given 2 minute from the first gate call to leave the holding pen and begin their competition run. If a horse refuses beyond the 2 minute window the Idaho Barrel Futurity Board of Directors will immediately disqualify the rider and ask them to exit the arena safely. The announcer will announce when the 2-minute timer is commenced, if necessary. Our goal is to have a safe and respectful sport. All lenience will be given if possible while still promoting the success of the sport.
20. Abuse of horses in any way will NOT be tolerated. Any contestant observed to be abusing a horse by any member of the Board of Directors will be immediately disqualified for the entire weekend.
21. Riders running multiple horses who run their horses out of the order assigned in the draw will be given a “no time.” Horses must be named on the entry (registered names are not required, but encouraged, if applicable, as IBF reports to Equistat. 22. All returned checks will be assessed a \$35 fee.

23. In the event of an electric eye failure, or other unforeseen circumstance that unfairly interfered with the rider's run (in the *sole and absolute* discretion of the Board) the rider will be given a re-ride option at the end of the next large rake or as can be mutually agreed upon by the contestant and the IBF Board of Directors. As much accommodation as possible will be given to the contestant/horse. If the eye fails during a run where a barrel is hit, the hit barrel disqualification will be upheld and the rider will be given a no-time without an option for a re-run.
