www.idahobarrelfuturity.com

The Idaho Barrel Futurity (IBF) is the exclusive barrel horse futurity and largest open 5D barrel race located within the State of Idaho. Over 500 competitors travel from multiple states to compete in this annual event, which has been going strong for over 54 years. The three-day event is professionally broadcasted via webcast, attracting thousands of viewers, and providing additional advertising for our sponsors. The all-volunteer board takes pride in the sustained grass-roots growth and strives to provide increased added money, top of the line saddles and awards to the competitors each year. We are a nonprofit organization and acknowledge this event cannot grow without the continued, dedicated support of our sponsors. This brochure contains monetary levels available for sponsorship and an example of awards presented in prior years. This is a great opportunity for your business to advertise and support this ever-growing event.

Competitors will be competing for money and awards in the 9th annual Jackie Roeser Memorial 2D Sweepstakes Race, Futurity and 2D Futurity, Maturity and 2D Maturity, Open 5D, 18/40 and Youth
